A car (or automobile) is a wheeled motor vehicle used for transportation. Most definitions of car say they run primarily on roads, seat one to eight people, have four tires, and mainly transport people rather than goods. Cars came into global use during the 20th century, and developed economies depend on them. The year 1886 is regarded as the birth year of the modern car when German inventor ...

Why SUVs Suck and Why Do So Many People Buy SUVs. Pro or Con SUV arguments could only occur in rich nations, like the good old "middle class" USA. In other parts of the world, arguments for or against SUVs would never occur because most of the earth's population is too poor to afford a car let alone an SUV.
