The camp also included an optional day trip to see Angkor Wat. Following positive feedback from the Chanleas Dai school principal and the teachers involved, PEPY ran the Literacy Camp again in 2009. In 2010, the camp extended to an additional school, as the number of children was too great to host in just one school.

course. A boot camp can be as simple as a one- or two-hour orientation to the clinic office. It could also be a week-long seminar on skills development and substantive law. Boot camps are, in effect, a way of front-loading instruction in a course. This provides a number of benefits to students and instructors alike.

Debriefing an experience helps campers connect lessons and activities they learned at camp to the outside world. It is a very important piece of camp and learning as a whole. If campers are not allowed to reflect on their experiences and relate them to the outside world, then a lot of the learning may be lost.
