HealthyComputing.com has assembled the world's foremost experts to provide unbiased information on computer-related health and safety. Developed through the joint efforts of nearly a dozen leading ergonomists, physicians, and physical therapists, HealthyComputing.com is the premier source for office ergonomics.

HealthyComputing - The Premier Source For Computer and

Cloud computing is shared pools of configurable computer system resources and higher-level services that can be rapidly provisioned with minimal management effort, often over the Internet. Cloud computing relies on sharing of resources to achieve coherence and economies of scale, similar to a public utility. Third-party clouds enable organizations to focus on their core businesses instead of ...
