Issues come in many shapes and sizes. Anxiety, friends, parents, self-esteem... each can bring their own set of challenging situations. Take a look through the topics below and find tips and tools to help you through them.

Tips - Your Life Your Voice

The teenage years can be really tough, and it's perfectly normal to feel sad or irritable every now and then. But if these feelings don't go away or become so intense that you feel overwhelmingly hopeless and helpless, you may be suffering from depression.

Teenager's Guide to Depression - HelpGuide.org

Adolescence (from Latin adolescere, meaning 'to grow up') is a transitional stage of physical and psychological development that generally occurs during the period from puberty to legal adulthood (age of majority). Adolescence is usually associated with the teenage years, but its physical, psychological or cultural expressions may begin earlier and end later.
