An overview of dating and courtship. Dating was invented in the early part of this century. Prior to that time, marriage always involved much more input from the parents, and "trial relationships" leading up to marriage were not conducted at all.

### **What is dating, what is courtship? | Dating vs. Courtship**

Dating is a stage of romantic relationships in humans whereby two people meet socially with the aim of each assessing the other's suitability as a prospective partner in an intimate relationship or marriage. It is a form of courtship, consisting of social activities done by the couple, either alone or with others. The protocols and practices of dating, and the terms used to describe it, vary ...
