100% compatible. The 9928A is the same chip as the 9918A except the 9928A outputs Pb,Pr,Y instead of composite. Other than those differences, internally the 9918A, 9928A, and 9929A are identical, and since the F18A generates its own output (which is the main function of the whole project), those 3 different output pins don't matter.

The hacker culture is a subculture of individuals who enjoy the intellectual challenge of creatively overcoming limitations of software systems to achieve novel and clever outcomes. The act of engaging in activities (such as programming or other media) in a spirit of playfulness and exploration is termed "hacking". However, the defining characteristic of a hacker is not the activities performed ...

In the previous edition of this review (published March 21st, 2017), Readdle's PDF Expert 5 was released in the middle of our testing and performed with aplomb in all of our tasks, even adding a new metric to our criteria because it was the only "full-featured" PDF app that could merge PDF documents together. With last month's release of PDF Expert 6, it has only further cemented ...
