

happiness proposal how to pdf

Happiness lies deep within us, in the very core of our being. Happiness does not exist in any external object, but only in us, who are the consciousness that experiences happiness. Though we seem to derive happiness from external objects or experiences, the happiness that we thus enjoy in fact arises from within us.

Happiness and The Art of Being

Happiness means the general condition of success. This is one goal which all rational beings have in common, and it's desirability is self-evident. One does not need to justify the pursuit of this goal, which is more important to people than any other. Happiness is the final end.
