History of the Spinoff publication. Spinoff is a NASA publication featuring technology made available to the public. Since 1976, NASA has featured an average of 50 technologies each year in the annual publication, and Spinoff maintains a searchable database of these technologies. When products first spun off from space research, NASA presented a black and white report in 1973, titled the ...

What's the Bottom Line? How much do we know about yoga? Although much research has been done on the health effects of yoga, many of the studies have included only small numbers of people and have not been of high quality. Therefore, in most instances, we can only say that yoga has shown promise in helping to manage a particular health condition, not that it has been proven effective.
