Union and opposition. In 1910, the Union of South Africa was created out of the Cape, Natal, Transvaal and Free State. It was to be essentially a white union. Black opposition was inevitable, and the African National Congress (ANC) was founded in 1912 to protest the exclusion of black people from power.

History | South African Government

Introduction: Africa's Role in World History Africa's contentious role in world history has varied with the perspectives of those writing it; the Eurocentric views place Africa in a minor, isolated role, while the Afrocentric view credits black civilization in Egypt with many cultural advances. African studies since the 1950s have
