

honor without integrity a pdf

An academic honor code or honor system is a set of rules or ethical principles governing an academic community based on ideals that define what constitutes honorable behaviour within that community. The use of an honor code depends on the notion that people (at least within the community) can be trusted to act honorably. Those who are in violation of the honor code can be subject to various ...

Academic honor code - Wikipedia

Honour (or honor in American English; either spelling in Canadian English) is the idea of a bond between an individual and a society as a quality of a person that is both of social teaching and of personal ethos, that manifests itself as a code of conduct, and has various elements such as valor, chivalry, honesty, and compassion. It is an abstract concept entailing a perceived quality of ...
