In music, polyphony is one type of musical texture, where a texture is, generally speaking, the way that melodic, rhythmic, and harmonic aspects of a musical composition are combined to shape the overall sound and quality of the work. In particular, polyphony consists of two or more simultaneous lines of independent melody, as opposed to a musical texture with just one voice, monophony, or a ...

This list of birds of Great Britain comprises all bird species which have been recorded in a wild state in Great Britain. In general the avifauna of Britain is similar to that of the rest of Europe, although with fewer breeding species. There are 600 species of birds on the British list as of 22 January 2018, the latest additions being the Dalmatian pelican (*Pelecanus crispus*) and eastern ...
