South America is a continent in the Western Hemisphere, mostly in the Southern Hemisphere, with a relatively small portion in the Northern Hemisphere. It may also be considered a subcontinent of the Americas, which is how it is viewed in the Spanish and Portuguese-speaking regions of the Americas. The reference to South America instead of other regions (like Latin America or the Southern Cone ...

The South Side is an area of the city of Chicago. It is the largest of the three Sides of the city that radiate from downtown—the others being the North Side and the West Side (while there is no East Side, because Lake Michigan runs along the city's eastern border, there is an East Side community area on the South Side, in the far southeastern section of the city).
