A morpheme is the smallest grammatical unit in a language. A morpheme is not identical to a word, and the principal difference between the two is that a morpheme may or may not stand alone, whereas a word, by definition, is freestanding. The linguistics field of study dedicated to morphemes is called morphology. When a morpheme stands by itself, it is considered as a root because it has a ...

That postmodernism is indefinable is a truism. However, it can be described as a set of critical, strategic and rhetorical practices employing concepts such as difference, repetition, the trace, the simulacrum, and hyperreality to destabilize other concepts such as presence, identity, historical progress, epistemic certainty, and the univocity of meaning.

Introduced in the Wrath of the Lich King expansion, Death Knights are World of Warcraft's first hero class. When the Lich King's control of his death knights was broken, his former champions sought revenge for the horrors committed under his command. After their vengeance was won, the death knights found themselves without a cause and without a home.
