Once again, it was a great day of racing at Electric City Riders in all classes but especially in the Open Expert Division. The field of 10 was led from flag to flag by veteran rider #25 Steve Longo, who collected an impressive win by holding off last year's Memorial Cup winner Lowell Carson. Will he be able to do it again on September 8th and add his name to the list????

The Kihansi spray toad is a diurnal species which is known to feed on small insects, including flies and fly larvae. It also eats some mites and springtails. In captivity, the Kihansi spray toad has been known to feign death or eject water from its bladder when disturbed. This species is thought to reproduce at about nine months old, breeding by internal fertilisation.
