What is Academic Excellence? It has proper grounding in the liberal arts, including humanities, sciences, with meaningful exposure to diverse subjects, such as languages and music

What is Academic Excellence?

Secondary education covers two phases on the International Standard Classification of Education scale. Level 2 or lower secondary education (less common junior secondary education) is considered the second and final phase of basic education, and level 3 (upper) secondary education is the stage before tertiary education. Every country aims to provide basic education, but the systems and ...

History. Prior to 1900 in Australia, charitable assistance from benevolent societies, sometimes with financial contributions from the authorities, was the primary means of relief for people not able to support themselves. The 1890s economic depression and the rise of the trade unions and the Labor parties during this period led to a movement for welfare reform.
