Commonly, "cousin" refers to a "first cousin", people whose most recent common ancestor is a grandparent. A first cousin used to be known as a cousin-german, though this term is rarely used today.. More generally, cousin is a type of familial relationship in which people with a known common ancestor are both two or more generations away from their most recent common ancestor.

I. I was recently recommended Chronicles of Wasted Time, the autobiography of Malcolm Muggeridge. It was a good choice, and not just because its title appropriately described my expectations about reading 500-page

books on people's recommendation.
