There are now hundreds of factors in what John Cochrane famously called the "zoo of factors." However, there are only a small number that meet the requirements for investment that my co-author, Andrew Berkin, and I establish in our book, "Your Complete Guide to Factor-Based Investing": persistence, pervasiveness, robustness, implementability, and intuitiveness.

The Costs of Implementing Momentum Strategies

A hedge fund is an investment fund that pools capital from accredited individuals or institutional investors and invests in a variety of assets, often with complex portfolio-construction and risk-management techniques. It is administered by a professional investment management firm, and often structured as a limited partnership, limited liability company, or similar vehicle.

Today, I'm excited to share a guest post with you that was written by Chad Carson from CoachCarson.com.. This is a post I've been wanting to write for years but since I'm not a real estate investor, I didn't have the knowledge or experience to do it.

The Incredible Tax Benefits of Real Estate Investing | Mad

I recently wrote about how whole life insurance is a crappy way to get a permanent death benefit or decent investment returns. In recent years, there has been a push to use a whole life insurance policy for a different reason- for "banking."
