By tapping into billions of years of research and development, innovative companies are abstracting strategies from the natural world and developing truly transformative technologies.

Tapping into Nature - Terrapin Bright Green

Tapping is a guitar playing technique where a string is fretted and set into vibration as part of a single motion of being pushed onto the fretboard, as opposed to the standard technique being fretted with one hand and picked with the other.. It incorporates the techniques of hammer-on and pull-off, but these are usually only performed by the fretting hand, and in conjunction with ...
