Early life. Maximilien de Robespierre was born in Arras in the old French province of Artois. His family has been traced back to the 12th century in Picardy; some of his ancestors in the male line worked as notaries in Carvin near Arras from the beginning of the 17th century. It has been suggested that he was of Irish descent, his surname possibly a corruption of "Robert Speirs".

The United States has been fighting a losing war against drugs for decades. Budgets have increased dramatically over the last two decades and drug-related incarcerations consistently reach new records yet drug problems worsen: adolescent drug abuse is increasing, overdose deaths are at record levels, heroin and cocaine are cheaper, more pure and more available than ever before, and health ...
