20th-century classical music describes art music that was written nominally from 1901 to 2000. This century was without a dominant style and composers created highly diverse kinds of music. Modernism, impressionism, and post-romanticism can all be traced to the decades before the turn of the century, but can be included because they evolved beyond the musical boundaries of the 19th-century ...

The latest in our series of translations of Russian national-conservative intellectual Egor Kholmogorov.. For the first part, see: Russians in the 20th Century.Part I: Origins to WWII.. Incidentally, while counter-mainstream commenters in the West are hardly well compensated, this is unfortunately doubly true in Russia.
